6:00 pm

6:00 pm at Common Space Picnic pavilion, Reynolds Road
Au pavillon de piquenique , Common Space, Rue Reynolds

The Rules **Les Règles**

So that everyone can relax and enjoy a little bit of social hour, this will be a “bring your own picnic” event. We will not be sharing food, utensils or drinks. (except for the wee bit of Pastis that always makes an appearance...so bring a glass and some ice/water if you would like to have some)! We will also abide by safe distancing of 6 feet, which also means, unfortunately, PAS DE BISES! (no welcome kisses on the cheek ☺)

Please bring your own boules if you have them. AFT is providing the boules for those who do not, and we advise everyone to carry a little hand sanitizer in their pocket. The games will be weather dependent, but the pavilion is covered and frankly – could we be any luckier??? We can be outside, in a private setting, maintaining distancing, having a drink with friends, working on our French and catching up! Where else can you that in Toledo right now??? Even if it rains a bit or you just don't feel like playing, sitting under the pavilion is enjoyable. **If the weather is stormy, I will send out an email at 5:30 pm with a thumbs up or a thumbs down. No email from me means that Michel and I will be there at 6:00 pm.**

A final note: I am not sure if the building will be open for use of the restrooms or not – so keep that in mind.

We look forward to seeing you soon!
